## NO OTHER GODS –by Kelly Minter

New Women's Bible Study to begin the first week of September

Often, idols are obvious—money, power, fame, but subtler idols can sometimes take the form of things we become spiritually blind to and if our heart is prioritizing any of those pursuits before God, they are taking up space meant for Him alone.

In this 14-session study, learn to identify the functional gods we may serve daily and the lies they tell. Only when we learn to dethrone modern-day idols can we pursue a deeper, more meaningful daily relationship with Jesus.
